**Lenten Project Update:** Canadians use a lot of salt to keep our driveways, roads and sidewalks safe. In the Spring the snow runoff and rains carry that salt into our Ottawa River Watershed. Consider sweeping up left over salt and disposing of it rather than flushing it into the street. To learn how much salt is appropriate to use, and how much has been found in local streams, take the

road salt usage quiz at <https://ottawariverkeeper.ca/what-we-do-2/initiatives/watershed-health-assessment-and-monitoring/road-salt-monitoring/road-salt-usage-quiz/> Don't forget to send your Watershed iCleanup Project photos in! Financial donations to the Ottawa Riverkeeper are most welcome, either directly through their website or sent to BCUC either to the office or by e-transfer labelled "Lenten Project".

**The Art Wall** needs more artists to share their work. If you or your children have some work that could be displayed in this way please let me know. Olly [ochuchryk@rogers.com](mailto:ochuchryk@rogers.com)
